

KNOLLWOOD MEMORIAL PARK

Located in an idyllic setting overlooking the Neponset Valley in Canton, Massachusetts, Knollwood Memorial Park is considered one of the most beautiful cemeteries in New England.

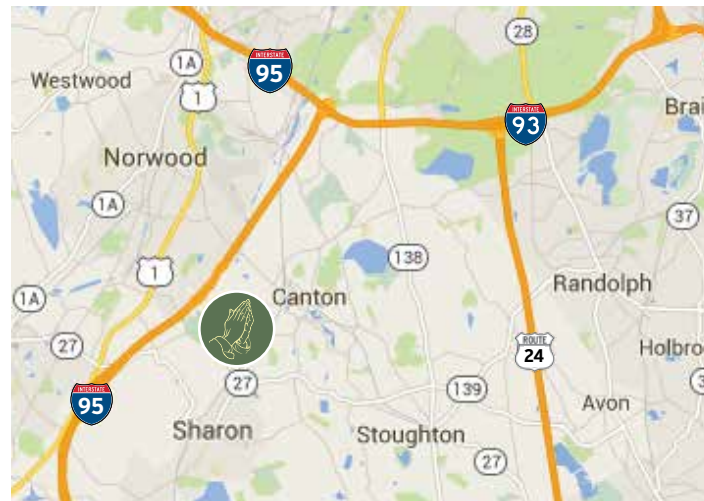

The expansive lawns and flush bronze memorials provide a park-like setting and the beauty of the garden-style grounds and Carrera marble sculptures give spiritual comfort to visitors who come to remember their loved ones.

Knollwood Memorial Park is a private not-for-profit cemetery that serves all faiths. It is still expanding and will continue to serve the community for generations to come.
