

KNOLLWOOD MEMORIAL PARK

Knollwood Memorial Park has been awarded the Level 1 Arboretum Accreditation.

We invite you to come join us for a walk on our self-guided Arboretum tour and enjoy the beauty of our land.

As you move along the tour as shown on the enclosed map, you will find that each of the designated trees and woody plants has a tag with its name, native origin, and a QR code. If you scan that QR code, it will redirect you to a detailed website for information on that species.

To view the entire tour and map on your mobile device, scan the QR code on the back cover of this brochure.

ENJOY!
